

Energizer Ultimate Lithium **4 + 2 Saver Packs** are now available from House of Batteries... while stocks last. For details, [click here](#).

With the success of Energizer's advertising campaign; **'It's what's inside that counts!'** which highlighted their outstanding performance for high drain devices like digital cameras and MP3 players, sales have grown. Lasting **seven times longer** than ordinary alkaline batteries, these batteries are becoming the battery of choice.

To help you meet demand and **increase your sales**, House of Batteries now has stocks of popular AA and AAA sizes as well as some great **4 + 2 Saver Packs** in the same sizes.

The Saver Packs are only available **while stocks last**, so don't delay, **call us today on 01636 640 676!**

From the Energizer range **we also stock** Classic, Ultra+, Lithium coin cells, Watch and Hearing Aid Batteries as well as a selection of torches!

For full details of the Energizer range from House of Batteries, please [click here](#).

Don't miss out, call us now on 01636 640 676.
